

Marshall County Junior/Senior Banquet

Last Friday and Saturday was the Junior/Senior Banquet. We had a meal at the Luther F. Carson Center in Paducah. We had our own banquet room, and our meal was catered. The meal and the service was excellent, the only thing better was the company. It was neat to see the young ladies arrive in the dresses, and the young men in their tuxedos. Especially when many of your memories of these young people are from West Kentucky Youth Camp and Marshall County Work Camp. Many of these teens have always been friends and it was evident. During the meal stories were told and I know that you could hear the laughter outside. I realized that I have known this group since they were fourth and fifth graders, and it has been a blessing watching them mature into young adults. I am very thankful for the Junior/Senior Banquet, and for your financial support of it. I pray that it continues to be a blessing to the community.

Great Night

Last Sunday evening the 5th grade class and I went to eat and spent some time together. It was a blast. There is a great deal of energy and enthusiasm in that group. I am very excited about their future, and I look forward to them entering the youth group this fall.

Youth Devotional

There will be a youth devotional this Sunday evening at the home of John and Dawn Collins. I will be driving the van and we should return to the building about 9:15.

2006 Graduates

Graduation is just around the corner for our seniors. This year we have four seniors: Jordan Owen, Quentin Riley, Julie Rogers, and Derek Vaughn.

I hope that everyone is having a great week and that you are making plans to be here for worship Sunday.

In Him,
Craig
