

Outreach University

This trip this past weekend so uplifting. The classes were all designed to equip our young people for a life that is dedicated to evangelism. Our keynote speaker was Lonnie Jones. He is a evangelist and counselor in Huntsville, Alabama. His three lessons were: "Are You Getting It?" (the importance of Bible Study), "Are You Living It?" (the importance of Godly living," and "Are you Sharing It?" (the importance of sharing God's message). These lessons were biblical, convicting, and encouraging. If you would like to hear them you can go to www.outreachuniversity.net and look for the lessons.. I am very proud of Kaleb Steele and Andy Harrington for taking their weekend to go to this program. We were blessed by the Jefferson Avenue church of Christ. They hosted this program, fed us, and John and Linda Mason kept us in their home. It is a wonderful thing to spend time and build relationships with God's people.

Over the past two weeks our church family has suffered. It has been encouraging to see the love and support that has been poured out. I am thankful to be a part of such a loving congregation.
