

## **Special Thanks**

I am very appreciative of Chris and Kelly Smith who opened up their home for the Super Bowl party. They do this each year and do a tremendous job with it.

## **Devotionals**

Last Sunday evening we cancelled the youth devotional, because of the weather. I want to thank the Collins for signing up for that night and for being understanding about the cancellation. Our next devotional will be **February 26** at the home of Jimmy and Marica Smith.

## **Golden Age Banquet**

Please go ahead and mark your calendar for March 11 for the Golden Age Banquet. This is a much anticipated event every year. We are going to be blessed by V.P. Black as our after dinner speaker. The need for that day is for our young people to serve at the banquet. This is a day that allows our young people to serve and fellowship with some of our "Golden-Agers." Afterward, the youth will go out for a time of fun. We need all of the 6-12 graders to assist that can.

## **FHU Lectures**

Last week I was blessed to attend the FHU lectures. Each day I attended several lectures that were beneficial. Dan Winkler's lessons on "Preaching Jesus in Hebrews" were some of the best I have ever heard. The singing each day was uplifting, and the time I was able to spend with friends and family was greatly needed and appreciated. I am thankful for the study of God's word, and the teaching of God's word that I was able to take in last week.

I want to say how proud I am of the young people who helped serve at the Monday evening meal at the convalescent center two weeks ago—We had a wonderful turnout. Thanks to the young men who led singing, read scripture, and led prayer during the devotional at the convalescent center devotional that Sunday afternoon. I look forward to seeing you Sunday.

In Him, Craig
