

WorkCamp

Sunday marks the beginning of Marshall County WorkCamp. I am very excited about this upcoming week and look forward to much good being done. There are some things we need to remember for next week:

Sunday Night Finger Food Fellowship-please be preparing food for this Sunday evening.

Nightly Servers-Sunday Night following services, and Monday, Wednesday, and Thursday there will be a fellowship meal at 6:00pm. We will need some help serving during this time.

Adult Volunteers-The adults that help at each home are an integral part of this special week. If you can help please let me know.

Youth Workers-We have numerous applications in for our young people, if you haven't gotten those in please give them to me ASAP.

Also be praying for this week. There are things to be praying for:

All of the Workers-Pray they will learn to seek opportunities to serve. And when they find them help them to seize those opportunities. Pray they will give the glory to God. Pray for their safety as they travel and work each day.

The Homeowners-Pray a prayer of thanksgiving they are willing to let us paint their home. Pray their faith may be strengthened in the Lord who gives all good things.

The Weather-That it may be conducive to the work that needs to be done.

In all things that the Lord's will be done.

WorkCamp is such a blessing, and I want to thank everyone in advance for all of the work that has been put in and will be put in.

Please be getting in your WKYC application and your Horizons applications in. I look forward to seeing you Sunday. I hope that you have a great week.

In Him,

Craig
