

Family Devotional

What a great night at Mike Miller Park! I know that many thought it would be cold, but we built a fire and closed the curtains around the pavilion and it was very nice. There was plenty of food and laughs to make the night worthwhile. I want to thank everyone who attended, and **Joy and Kyle Farris** for reserving the pavilion. We were blessed by an encouraging lesson from **Devin Hall**. It is always great to have our college students home.

Graduate's Appreciation Night

This Sunday night is our annual High School Graduates Appreciation night. I want to encourage everyone to come and show their support of our graduates. This is a finger food fellowship, so please come with a full dish in hand. This year we have four seniors: **Julie Rogers, Jordan Owen, Quentin Riley, and Derek Vaughn**. Please come and be a part of this special evening.

Intern Program

Two years ago, we started a program for our young men who were at least juniors in high school through college age to spend the summer working with Lance and me. Some of the things this program involves are:

Comprehensive Bible studies (In the past our interns have done a Survey of the Bible, Study of the Restoration Movement, 1 and 2 Timothy, and Titus).

Visiting

Helping Organize, Plan, and attend Youth Activities, (ie. Teen Week, WorkCamp, Vacation Bible School)

Practical Ministry Training-The interns spend some time with other ministers in the area, a funeral director, and other people who will be a benefit to the work of a minister.

Teach Bible Classes

Speak at Devotionals

Prepare and Deliver Sermons

This year our intern is **Derek Vaughn**. I look forward to his working with us. Please begin praying for his work this Summer.

In Him, Craig
