

Graduates Appreciation Night

WOW! What a wonderful evening. Our Graduates Appreciation Night was a great encouragement. There are several reasons why this night was a success:

Deacons and their Families-For each of our activities in the activities building tables and chairs have to be set up and taken down. This many times falls on the Deacons over Fellowship and their families. I am so thankful for their willingness to set up the building to suit the occasion.

Our encouraging and supporting Congregation-The food that was prepared and brought to be shared, along with all of those who attended to show their support of our graduates were overwhelming. This is one of the biggest crowds that I remember for a Sunday night fellowship meal. Another way that encouragement was given to our graduates was the giving if cards. Thanks so much for showing your love and support of our young people.

Caring Parents-The parents did a great job decorating the activities building, as well as doing the picture board. This was such a busy weekend for many of them, with graduation last Friday and family visiting; they still put in the effort for their children. I am so thankful for parents that care about their children.

Graduates-Each of our four graduates: Julie Rogers, Derek Vaughn, Jordan Owen, and Quentin Riley, put in the effort and discipline it takes to earn a high school diploma. They also shared their plans to continue their education, and we will keep them in our prayers as they continue with those plans.

Each of us are blessed to be a part of this congregation of the Lord's people.

The first Summer Youth Series is next Tuesday at 9th Street. The van will leave at 6:15 sharp. Please get your WorkCamp applications in. You can give them to Derek or slide them under my door. Please keep WorkCamp in your prayers. In Him, Craig
