

Youth Led Worship

Wow! What a blessing it has been for our young men to lead in the worship. Each of the young men did his task very well. They showed reverence and enthusiasm in the scripture reading, prayers, song leading, and preaching. Dave Dodd, Quentin Riley, Aaron Cox, Gary McCaleb, Levi Thompson, and Jake Hall read from God's word; Andy Harrington and Alex Appleton led singing, and Dylan Harrington and Derek Vaughn preached to us. As our young men mature they begin to work more and more in the developing of their lessons. That was very evident in Derek's lesson. His lesson on the "Baptisms of the New Testament" was in depth, thorough, and relevant. It was very evident the time he put in studying for his lesson. I am thankful to each of the young men for they time spent preparing. I am thankful for each of our young people. They are precious gifts from God from the babies who are on the way to the 18 year olds. Praise God for them, and while you are at it praise them for God.

Graduates Appreciation Night

This year we have four graduating seniors: Julie Rogers, Jordan Owen, Quentin Riley, and Derek Vaughn. We will have our appreciation banquet on Sunday May 21 following evening services in the activities building. This will be finger food fellowship. Please be planning what you are going to fix, for that night. It will be a great night to honor our seniors.

Youth Devotional

I want to thank John and Dawn Collins for opening up their home for the youth devotional last Sunday evening. The next devotional will be at Mike Miller Park on May 14. This devotional is for all of the 6-12th graders and their parents. If you have questions please contact Joy Farris.

I hope that you have a great week and I look forward to seeing you Sunday.

In Him,

Craig
