

Fruit Baskets

It is that time of year again, the time for fruit baskets. Our congregation has a yearly tradition of making and delivering of fruit baskets. There is some important information for that day.

When will this take place? : We will be delivering on Wednesday, November 15.

What time?: Immediately following school.(About 3:45 pm.)

Who is involved?:

The Youth Group. All of the youth group is needed to deliver.

Adult Drivers. If you can help drive and deliver please let me know ASAP.

What will we do afterwards?: We will order pizza and have a meal before Wednesday Night Bible Study.

Each year this is very enjoyable. I hope that you will make this year's fruit basket delivery another great one.

Youth Devotionals

I want to thank Derek and Jill Riley for hosting the youth devotional last Sunday evening. We had a great turnout. The next three youth devotionals will be:

November 19, David and Shannon Spicer

December 5, Mildred Morgan

December 17, Leslie and Bettie Bean

Please mark these dates on your calendar and be a part of our devotionals.

Bible Classes

A good Bible school is a great asset in the Bible training of us all. Currently our Sunday morning middle school Bible class is studying James, and our High School class is beginning a study on New Testament Worship. I pray that you will encourage your young people to study God's word while they are home, and come to Bible class armed with God's word. I am so proud of our young people and greatly enjoy teaching them God's word each week. I look forward to seeing them in Bible class.

In Him,

Craig
