## **Moving Up**

Last Sunday morning, in the Middle School Bible Class, was exciting to see our new group of 6th graders move up into the youth group. Their energy and enthusiasm are very encouraging to me. I also want to encourage all of our parents to involve their children in Sunday morning and Wednesday night Bible class. We have age appropriate classes that will be a blessing to all those who participate. This teaching will help to lead them to a relationship with God and will greatly impact their eternity. Make the effort to be a part of all the Bible classes. It will be worth it.

Last Wednesday about 10 of our young people served dinner at the convalescent center. I am thankful to have young people with a desire to serve. I look forward to seeing you Sunday.
