

Makin' Music

The group that has signed up to go to Makin' Music will leave at 9:30 from the activities building Saturday morning. You need to bring money for two meals. It should be an entertaining trip.

Youth Devotionals

This Sunday evening after services there will be a youth devotional at the home of Brent and Stephanie Evans. I will be driving the van and we will return to the building about 9:15. There are two dates that are still open to volunteer to host. One is April 22 and it will be a middle school only devotional, and the other is April 29 and it will be a high school only devotional. If you have any questions just let me know.

Can you sew?

This year as we prepare for VBS we have a need for some simple costumes. If you would be willing to sew some of these costumes let me know.

Jr./Sr. Banquet

The Marshall County Jr./Sr. Banquet is Saturday, April 21 at C.C. Cohen's in Paducah. Be praying for this event as it is approaching.

This past week was the funeral for Pat Riley. I have many fond memories of him. The first week I moved here in 1998 he invited me over to eat fish and to visit. One of the first things he did when I walked in that day was to tell me that he was one of the richest men in the world. He then held up a picture of his seven daughters and told me they were his treasure. After that he told me to get on his 4-wheeler and look around his property. It was the first 4-wheeler I had ever ridden with a stick shift (he had an axe-handle attached to gearshift so he could shift by hand). It was a very enjoyable and memorable visit. I have a great deal of appreciation for him. I knew each Sunday morning he would be shaking everybody in with a big hand shake and a smile. He will be missed.

I look forward to seeing each of you this Sunday.
