

Summer Youth Series

Calvert's Summer Youth Series is this Tuesday, August 7 at 7:00 p.m. Our speaker this year will be Kirk Brothers, who is the evangelist for the Greymere church of Christ in Columbia, Tennessee. The SYS is one of the highlights of my year. There will be beautiful singing, a powerful gospel sermon, and uplifting fellowship. I hope that you are inviting friends, neighbors, and strangers to be a part of this night. If you haven't signed-up to bring ice cream there is still time to do that. I hope to have a crowd of 500, but that can only happen if you attend and bring others with you. I look forward to seeing you that night.

Youth Devotional

I want to thank Randy and Amy O'Bryan for hosting the youth devotional last Sunday evening. They did a tremendous job as usual. The next youth devotional will be August 12 at the home of Kevin and Diana Hunt.

Youth-Led Worship

I want to thank each of the young men who led us in worship last Sunday evening. Andy Harrington, Chris Phillips, Noah Steele, Kaleb Steele, Jake Hall, Jared Hall, Aaron Cox, and Derek Vaughn each took part in leading the service. We are so blessed to have the caliber of young people that we have here at Calvert City.

Outreach University

This weekend some of the teens and I will be traveling to Cookeville, Tennessee for an evangelism workshop. We will leave Friday around lunch time, and return Sunday afternoon.

I want to ask that you pray specifically for our Summer Youth Series, our trip to Cookeville, and each of the young people and their parents as school begins next week. Prayer is a great tool that we have to access the power of God, may we do that often. I look forward to seeing you Sunday night after our return from Tennessee.

In Him,

Craig
