Youth Led Services

Wow! Last Sunday evening was such an encouragement. Each of the young men did a tremendous job. Devin's lesson on "Christian Edification" and Drew's on "A Holy Opportunity" were well-developed and delivered. I appreciate the time these two young men spent in preparation of these lessons. Each time the young men lead in our services we see growth. The song leading, scripture reading, praying, and preaching become better. The maturing of our young men is evident. I look forward to each 5th Sunday evening.

I can't begin to thank you enough for all of the kindness this congregation has shown me. The numerous cards of sympathy after my grandfather's death, the kind words after Sunday's sermon, the pats on the back, and the gift Sunday evening all have been a great encouragement to me. I appreciate each and every one of you so much. I ask you to keep my uncle, and Brent's dad, Nat Evans in your prayers. He is in ICU in Little Rock, Arkansas. He has been a faithful gospel preacher for over 35 years and needs your prayers. I look forward to seeing you Sunday.

In Him, Craig
