

Outreach University

Next weekend, August 3,4, and 5 is Outreach University that will take place in Cookeville, Tennessee. This program is similar to Evangelism University that we attend each year in Savannah, TN. This program is designed to teach our young people to be more evangelistic by training them in God's word so they can teach the lost. This is open to any of our young people ages 8th grade and up. Please see me if you have any questions and sign-up on the table on the lobby.

Youth Devotional

There will be a youth devotional this Sunday evening at the home of Randy and Amy O'Bryan. I will drive the van and we will return about 9:15.

SYS

The Summer Youth Series next week is being hosted by the Benton church of Christ. The van will leave at 6:25 p.m.

Calvert's SYS

Our Summer Youth Series will be Tuesday, August 7 at 7:00 p.m. Our speaker will be Kirk Brothers from Columbia, TN and our topic will be: "*It Matters for Eternity.*"

That night we will be serving homemade ice-cream and cookies. We will need about 25 gallons of ice cream. If you are able to do this please sign up on the list in the lobby.

I want to ask you to begin asking your friends and neighbors to attend our Summer Youth Series. It may make a difference in their eternity. Also, be praying for the SYS as it approaches.

Canoe Trip

We have a Current River canoe trip scheduled for August 11. There is a sign-up list for this trip on the table in the lobby.

It has been good being back for the past couple of weeks. I enjoy worshipping with my church family here at Calvert. I look forward to seeing you Sunday.

In Him,

Craig
